About seervii

Reliable Industrial Supply. Trusted Global Trade.

SEERVII is an India-based industrial supply and export company, providing a wide range of engineering products to industries and global buyers.

We specialize in sourcing and supplying valves, pumps, electric motors, bearings, fasteners, flanges, pipe fittings, electrical items, power tools, and safety products through a trusted supply network.

With a focus on quality, timely delivery, and transparent communication, SEERVII supports both domestic and international customers with dependable supply solutions.

Safety Helmet

- **Material:** HDPE / ABS
- **Type:** Vented / Non-Vented
- **Suspension:** 4 Point / 6 Point Suspension System
- **Adjustment:** Ratchet Type / Pin Lock
- **Color:** White / Yellow / Blue / Red / Custom
- **Standard:** IS 2925 / ANSI Z89.1 / EN 397
- **Weight:** Lightweight Design
- **Applications:** Construction, Industrial, Mining, Oil & Gas, Safety Protection

Safety Glove

- **Material:** Nitrile / Latex / PVC / Leather / Kevlar
- **Type:** Cut Resistant / Chemical Resistant / Heat Resistant / General Purpose
- **Size:** S / M / L / XL
- **Coating:** Palm Coated / Fully Coated / Uncoated
- **Grip:** Textured / Smooth Grip
- **Standard:** EN 388 / EN 374 / ANSI
- **Protection:** Abrasion / Cut / Chemical / Heat Protection
- **Applications:** Construction, Industrial, Chemical Handling, Manufacturing, Safety Use

Safety Shoe

- **Material:** Leather / Synthetic / PU / PVC
- **Toe Type:** Steel Toe / Composite Toe
- **Sole:** PU / Rubber / PVC (Anti-Skid & Oil Resistant)
- **Size:** 6 to 12 (Custom Sizes Available)
- **Type:** Low Ankle / High Ankle
- **Standard:** IS 15298 / EN ISO 20345
- **Protection:** Impact Resistant / Anti-Slip / Electrical Resistant
- **Applications:** Construction, Industrial, Oil & Gas, Manufacturing, Safety Use

Safety Goggle

- **Material:** Polycarbonate Lens / PVC Frame
- **Type:** Clear / Tinted / Anti-Fog / Anti-Scratch
- **Fit:** Adjustable Elastic Strap / Wraparound Design
- **Ventilation:** Indirect Vent / Non-Vented
- **Protection:** Dust / Chemical Splash / Impact Resistant
- **Standard:** ANSI Z87.1 / EN 166
- **Coating:** Anti-Fog / Anti-Scratch / UV Protection
- **Applications:** Construction, Chemical, Industrial, Laboratory, Safety Use

Reflective Jacket

- **Material:** Polyester / Mesh Fabric
- **Type:** Sleeveless Vest / Full Sleeve Jacket
- **Visibility:** High Visibility with Reflective Tape
- **Color:** Fluorescent Yellow / Orange / Green
- **Closure:** Zipper / Velcro
- **Size:** S / M / L / XL / XXL
- **Standard:** EN ISO 20471
- **Applications:** Construction, Road Safety, Industrial, Mining, Night Work

Ear Protection

- **Type:** Ear Plugs / Ear Muffs
- **Material:** Foam / Silicone / ABS / PVC
- **Noise Reduction:** NRR 20 dB to 35 dB
- **Design:** Reusable / Disposable
- **Fit:** Corded / Cordless / Adjustable Headband
- **Standard:** ANSI S3.19 / EN 352
- **Comfort:** Soft Cushion / Lightweight Design
- **Applications:** Construction, Industrial, Mining, Manufacturing, High Noise Areas

Mask

- **Type:** Disposable Mask / N95 / Half Face / Full Face Respirator
- **Material:** Non-Woven Fabric / Silicone / Rubber
- **Filtration:** 95% to 99% Efficiency
- **Valve:** With Valve / Without Valve
- **Fit:** Adjustable Nose Clip / Head Strap
- **Standard:** NIOSH / EN 149 / IS Standards
- **Protection:** Dust / Fumes / Chemicals / Particulates
- **Applications:** Construction, Industrial, Chemical, Healthcare, Safety Use

Fire Extinguisher

- **Capacity:** 1 kg to 50 kg / 2L to 50L
- **Type:** ABC Powder / CO₂ / Foam / Clean Agent / Water
- **Material:** Mild Steel / Aluminum Cylinder
- **Pressure:** Stored Pressure / Cartridge Type
- **Mounting:** Wall Mounted / Portable / Trolley Mounted
- **Standard:** IS 15683 / IS 2878 / EN 3
- **Operation:** Manual Discharge with Safety Pin
- **Applications:** Industrial, Commercial, Offices, Warehouses, Fire Safety

Safety Harness

- **Material:** Polyester Webbing / Nylon
- **Type:** Full Body Harness / Half Body Harness
- **Attachment Points:** D-Ring (Back / Front / Side)
- **Load Capacity:** Up to 100 kg to 140 kg
- **Adjustment:** Adjustable Straps with Buckles
- **Standard:** IS 3521 / EN 361 / ANSI Z359
- **Safety:** Fall Arrest / Work Positioning
- **Applications:** Construction, Height Work, Maintenance, Industrial Safety

Industrial Lifting Belt

- **Capacity:** 1 Ton to 50 Ton
- **Type:** Flat Webbing Sling / Round Sling / Endless Sling
- **Material:** Polyester / Nylon
- **Width:** 25 mm to 300 mm
- **Safety Factor:** 5:1 / 6:1 / 7:1
- **Color Code:** As per Load Capacity
- **Standard:** EN 1492-1 / EN 1492-2
- **Applications:** Material Handling, Lifting, Construction, Warehousing, Industrial Use

First Aid Kit

- **Type:** Portable / Wall Mounted / Industrial Kit
- **Material:** Plastic / Metal Box
- **Contents:** Bandages, Gauze, Antiseptic, Gloves, Scissors, Medicines
- **Size:** Small / Medium / Large (Customizable)
- **Mounting:** Wall Mount / Carry Case
- **Standard:** OSHA / IS Guidelines
- **Feature:** Organized Compartments / Easy Access
- **Applications:** Industrial, Construction, Offices, Warehouses, Emergency Use
